

## Serviced Accommodation Application Form

Apartments for our corporate clients must align to the following standards:

Name: .....

Property full address: .....

Email: .....

Contact number: .....

Please certify that you are the owner or have written permission from the owner to rent out the furnished property.

### Fully-furnished

Your apartment is furnished in a way which allows tenants to move in with nothing but a suitcase and feel at home.

### Internet

Your apartment offers high-speed Wi-Fi access without data limitations or additional costs.

### Workspace

Our business customers should have the opportunity to work in their apartment. A table, a chair, and sockets should be available for this purpose.

## Serviced Accommodation Application Form

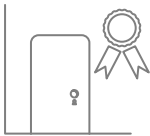

### Washing machine

Please provide your tenants with direct access to a washing machine - either in the apartment or in the same building. This does not include the laundromat around the corner.

### Entire apartments

Your apartments are designed for temporary living of the entire unit. We do not accept subletting of rooms or sections of the apartment.

### Important Items to have

Apartment must have: a welcome note with Wifi login details, garbage disposal and any other useful instructions about the apartment, 3 sets of keys (two for client and one for CCR), all kitchen utensils and cutlery, tea towels, hairdryer, iron and cleaning equipment.

### All in price

The rent includes all utilities, including any applicable tax rates.
